PATIO PARTY

PRIVATE PATIO PARTY

Organise your own private party in Provence. Have a delightful afternoon on the patio overlooking the lavender fields as the harvest is brought in for the flowers to be distilled in a Portuguese copper still. Create an unforgettable experience for up to 50 of your closest friends and family with the fragrance of essential oils in the air at our farm between forest and sea.

Enjoy our live edged tables to set up as you wish in a roped-off private area which includes the patio. In case of inclement weather, we've got you covered. Nearby space inside our post and beam drying barn is available.
